

Zodiac G2

Disc Suction Pool Cleaner

legendary cleaning in action

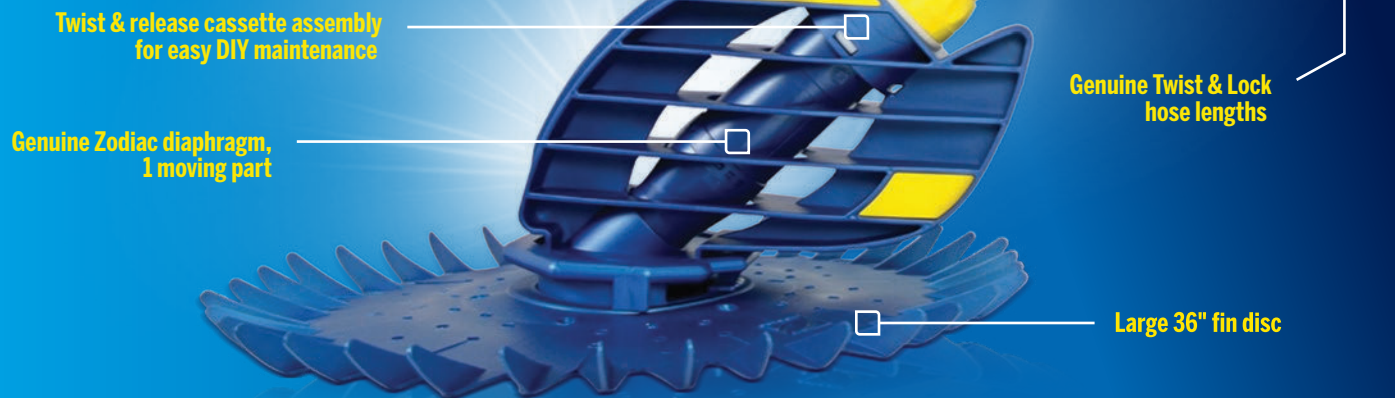

The **Zodiac G2**'s robust design, powerful cleaning action and great maneuverability makes it Australia's favourite pool cleaner.

Designed to suit a variety of pool surfaces, the Zodiac G2 will remove most small debris from your pool quickly and efficiently keeping self-maintenance to a minimum.

DISC SUCTION POOL CLEANER

Key Product Features and Benefits

Proven reliable performer

This simple yet reliable performer is constructed with robust materials designed to perform at its peak year in year out in Australian pools.

Low Maintenance, DIY

- The Zodiac G2 is easy to set up and operate.
- The diaphragm being the only moving part is also the only component likely to need maintenance. The diaphragm is housed in a quick 'twist-and-release' cassette for easy DIY maintenance.

Optimum adhesion to pool surfaces

The disc structure and design of the G2 provides optimal adhesion whilst its pliable inserts scrub the pools surface.

Optional Accessory

Cyclonic Leaf Catcher

The Zodiac Cyclonic Leaf Catcher is the perfect pool cleaner accessory for heavy leaf litter. Captures leaves and other debris before they reach the skimmer, pump or filter.
