Dolphin M700

Absolute pool-cleaning performance

Welcome to pool cleaning on a whole new level. The **Dolphin M700** robotic pool cleaner saves you valuable time with its intuitive operation and Wi-Fi® connectivity. Use the MyDolphin™ Plus app to customise cleaning schedules for your convenience. The **M700** was masterfully designed to deliver incomparable scrubbing. New features include a unique water temperature sensor and a filter gauge that accurately measures how full the internal filters are.

World's first Climate Care Certified pool cleaner

- Reduce energy consumption by up to 83% / \$350 per year
- Reduce water wastage by up to 60–80%
- Use less chemicals from less backwashing
